# The sensational, new John Walker RT-1 from Brooks. Try on a pair at The Athlete's Foot store.

The John Walker RT-1 by Brooks. It's the perfect marriage of a featherweight racing shoe with a firm, durable training flat.

The RT-1 is built on a racing last for closer fit and more speed. It features a wide, flared heel and the Brooks' Varus Wedge™

Try the RT-1 for yourself. You'll find it's the most comfortable shoe for racing and training you've ever worn...at The Athlete's Foot participating stores.

The John Walker RT-1. Another sensational running shoe from Brooks.
